Verses 1 & 2 (everyone – unison)

Snow is falling, all around me,
Children playing, having fun,
It's the season, for love and understanding,
Merry Christmas, everyone.
Time for parties, and celebrations,
People dancing, all night long,
Time for presents, and exchanging kisses,
Time for singing, Christmas songs

Bridge 1

We're gonna have a party tonight,
(Ooh) I'm gonna find that girl underneath the mistletoe
We'll kiss by candlelight

Verse 3

Room is swaying, records playing,
All the old songs, we love to hear,
(Ooh) Oh I wish that, everyday was Christmas,
What a nice way to spend the year!
